

March

How to access your childcare account with ProCare

To register:

- 1) Go to myprocare.com
- 2) Enter email address that was given to Jacqui
- 3) Follow prompt to go to email and open confirmation email.
- 4) Enter confirmation code and choose a password
- 5) Confirm password and click SUBMIT

Once logged in, families can access their account balance, make payments, get reports of charges and payments made. They may also access contacts for their child and assign pictures to those contacts if they choose. This is the easiest way for families to access a "receipt" for payments made.

For any questions or to add a different email please contact Jacqui.

Newsletter update!

The newsletter is now easily accessible to mobile and desktop users by going to

Buttonsbrowschildcare.com and clicking the "newsletter" tab from the home page.

Text message notifications.

In ProCare we have the option to send text alerts with important dates for upcoming events, class parties, field trips and other important notices. You will find a roster of each child enrolled near the check in station. Please leave your phone carrier (ex: AT&T, Verizon, T-Mobile) so your family is properly enrolled for text alerts.

St. Patrick's Day Party

Friday March 16th

We will provide treats and games. All children are encouraged to wear green.

We have been asked if parents can donate snacks to our program:

We are always grateful for donated snacks and at this time there are no allergies in our program. Great snack items are cheese sticks, crackers, nilla wafers, raisins, snack mixes, graham crackers, yogurts, fruit, vegetables, pretzels and cereal.
