June & July

## Fun Fridays!!

This summer, each Friday will consist of a little extra fun for the children. As much as we try to make most of these activities free, some require a fee. Parents will always have ample opportunity to pay fun Friday fees (**CASH ONLY**). If our fun Friday consists of a field trip, parents will receive a permission slip that must be returned for their child to attend and there may be requirements (IE potty trained, age specific, limited spots available etc). Most field trips will require that the children are toilet trained. We are so excited for summer!
