

March

St. Patrick's Day Party

Friday, March 15th

WEAR GREEN DAY!

We will be led on a scavenger hunt in preschool to find the leprechauns
Pot O' Gold!

We will enjoy games and treats. Treat sign-ups will be available online and the link will be sent through a remind text.

Preschool Families:

Please remember to take your child's blanket home every Friday for washing! It is important that your child brings their clean blanket back to school with them the following Monday- not having a blanket often keeps children awake during nap time! Also, please make sure to send a bigger blanket than a baby blanket.

Thank You!

Construction Zone!

We're getting closer to opening the new building!

HVAC, plumbing, & insulation is completed! We still do not have rain gutters, so please be extra careful on the sidewalk in front of the new building!

Thank you for your patience with the congested parking lot!

Infants:

We provide Similac Advance Infant Formula for infants enrolled in our program. If you choose not to use our formula you will need to fill out an "Decline Infant Formula" form located in the infant area cubbies each time you bring formula to the center! This is a requirement for the CACFO Food Program. Thank You!
