

Weather Appropriate Outerwear

We try to go outside everyday. Every child goes outside, even infants! The ground may be wet/muddy and the mornings may still be chilly. Please dress your child appropriately and in clothes they can play in as they may get dirty. If they can't participate in daily activities they cannot attend.

Construction Zone

As of April 1st the painters are in the building and should be finishing up by the end of the second week! After the painting is done, it should be smooth sailing to the completion of the new building! We are anxiously awaiting the opening of the new building and thank you for your patience during construction!
