

## Preschool

The first day of preschool is September 3<sup>rd</sup>.

The preschool bulletin board in the eating area will always have the curriculum for the month and the skills the preschoolers are working on. Parents are encouraged to help the students with these learning objectives at home as well.

Our preschool classes are separated by development rather than age. We use our kindergarten readiness assessments to place the preschoolers in their individual classes. Come December, the students will do a mid-year assessment at which time parent teacher conferences will be held to discuss your child's progress. If you have any concerns, please do not hesitate to ask their teacher, Miss Heather the lead teacher or a director.

We appreciate all parents bringing school supplies for their children. Teachers are excited and it is going to be a great year!

## HEADS UP!!

We will be **CLOSING EARLY** on Halloween on October 31<sup>st</sup> at **2:00**

Thank you!

## Here We Grow!!

We are excited to announce that we have 3 infant teachers attending classes to obtain their Infant/Toddler Certification and 2 preschool teachers attending classes to obtain their Preschool Teacher Certification. We currently have one teacher who has already completed this achievement. We are so proud of our staff and their passion in childcare. They are working hard to expand their knowledge and gain techniques and skills in their career path.
